### CLAY AND PAPER presents: “Barbara Burhans pursues New Directions”

Inspired by ten years of being a Garden Fairy artist and gardener Barbara Burhans pursues new directions in clay. “My new work features clay mosaics in which I make the tile to create paintings in clay. Making my own tile gives me complete control over what I want to create.” This show will feature mirrors, tables, wall pieces, and garden stakes. “Barbara Burhans pursues New Directions” opens with a VIP Preview Party Thursday, October 11, 2007 / 6:00 to 8:00 pm at Clay and Paper Gallery, 350 Main Street, Dunedin, Florida 34698. Exhibit continues through Nov. 18th, 2007. Clay and Paper and The Painted Fish Gallery are located along the Pinellas Trail at 350 Main Street, Dunedin, Florida. Hours: Open Tuesday thru Sunday, 11:00 AM to 5:00 PM. Website: [www.claypaper.com](http://www.claypaper.com) Phone: 727-736-0934
